NEW YORK

Dear Readers:

If you give me the pleasure of a visit you will be pleasantly surprised and gratified to find how much better I am now able to attend to your optical wants. This optical establishment is just a little ahead of this city and in keeping wth those to be found in larger cities. There is no cause for you to leave Anderson when you desire the service of a skilled optometrist whose facilities and equipment cannot be excelled anywhere.

It is an added pleasure for me to tell you that I have a modern lens grinding shop in connection with my optical while you wait, if you will bring me the broken pieces, while you wait, if you will bering me the broken pieces, I am able to get out prescription work the same day it is received. This eliminates the delay and annoyance of waiting while your prescription is sent out of town.

All the work, from the examination of the eye to the finished lenses and fitting of glasses is done under my personal supervision. Knowing that the work is right, I do not hesitate to guarantee satisfaction.

Bear me in mind please when I can be of further service to you.

Yours very truly,

Dr. M. R. CAMPBELL, Louisa S. Hilgenboeker, Asst. Registered Optometrists,

AFTER PASSING YEARS

Anderson Testimony Remains Un-shaken.

Time is the best test of truth. Here is an Anderson story that has stood the test of time. It is a story with a point which will come straight home

point which will come straight home to many of us.

Mrs. L. H. Seel, 222 E. Market St., Anderson, says: "For a year I suffered from kidney weakness and pains in the small of my back. I felt, dull, languid and miserable. After using different medicines without much benefit, I tried Doan's Kidney Pills, that I got at Evans' Pharmacy. They did me a world of good in every way." (Statement given Feburary 24th, 1908.)

on December 4th, 1914, Mrs. Seel said: "I have just as much confidence in Doan's Kidney Pilis now as when I previously recommended them. Whenever I have noticed the slightest return of kidney trouble, due to a cold, Doan's Kidney Pilis fix me up all right."
